2 of 2 people found the following review helpful. Awesome Resource.By Chris KraftThis directory provides a great starting point for marketing a screenplay. It is so helpful to get names and contact info along with preferred genres for

individual production companies. Also, by listing which companies are open to unproduced, unrepresented writers, a lot of wasted queries are saved. 1 of 1 people found the following review helpful. Good overall, but some info is inaccurate. By Christopher J Lynch Good info in the front of the book re. the ins and outs of contracts, terms, etc. The back end is organized with the names of production companies and lists whether or not they accept queries, scripts etc. and how. The problem with the book was that at least 25% of the email addresses for the producers are wrong and come back as undeliverable. Otherwise, good info. 2 of 2 people found the following review helpful. Good but... By changes21st Professionally done but many, many of the listings don't accept material from new writers.

Screenwriting Market Intel You Won't Find Anywhere Else Mailing out submissions based on some contact information you found on the Internet isn't enough to get your script sold.
