A Great Look at the History of Hollywood (the City!)By Customer 2000When I moved to Hollywood, CA in the early 1980's, I picked up a copy of this book at Larry Edmunds Bookshop on Hollywood Blvd. and began to learn the history of this incredible town. The book is packed with rare photos and facts on buildings, landmarks, street names and their origins. Chapter by chapter you see "Hollywoodland" grow from a sleepy rural community to an entertainment powerhouse.I worked at the Grauman's Chinese Theatre (pictured on the cover) and it was fun to learn more about this architectural cinematic wonder and many of the other buildings locations on Hollywood Blvd. and in my neighborhood.A great book for Hollywood history buffs, even more enjoyable if you live in Los Angeles and can explore some of the great treasures this book reveals.

If Hollywood's more than a dream to you this will be more than a book.
