**Jonathan Penner, Steven Jay Schneider : Horror Cinema** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Horror Cinema:

4 of 4 people found the following review helpful. Great book, amazing images. By Robert Denfeld This book is informative about the origins, scope, and variations of the Horror genre throughout cinema's history. It features amazing photographs from well-known films, along with chilling quotes from artists and directly from horror films. 0 of 0 people found the following review helpful. Nice, Fun and Interesting book By Carlos A Elenes Very nice book. Great pictures and lot of information although not very deep. The printing is very nice, lot of inverse printing (letters white and sheets black). It is a book for browsing little by little before going to bed. I am pleased 0 of 0 people found the following review helpful. good book but not enough information By TJ Used this book to write my thesis paper. It is a good book i just wish it provided more information about its cinema.
