**John Kenneth Muir : Horror Films of the 1990s** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Horror Films of the 1990s:

This filmography covers more than 300 horror films released from 1990 through 1999. The horror genre's trends and cliches are connected to social and cultural phenomena, such as Y2K fears and the Los Angeles riots. Popular films were about serial killers, aliens, conspiracies, and sinister "interlopers," new monsters who shambled their way into havoc. Each of the films is discussed at length with detailed credits and critical commentary. There are six appendices:

1990s cliches and conventions, 1990s hall of fame, memorable ad lines, movie references in *Scream*, 1990s horrors vs. *The X-Files*, and the decade's ten best. Fully indexed, 224 photographs.
