James Marriott, Kim Newman : Horror!: The Definitive Companion to the Most Terrifying Movies Ever Made
before purchasing it in order to gauge whether or not it would be worth my time, and all praised Horror!: The Definitive Companion to the Most Terrifying Movies Ever Made:

1 of 1 people found the following review helpful. Very good information for the horror fan By Carlos A Elenes Good info from a wide selection of movies. This book is great for picking movies you don't know, read something about them before watching it... The letter printing is quite small and I have had some trouble reading it... so I started using glasses with this book. Printing is two inks. 0 of 0 people found the following review helpful. Must have for horror fans! By Johnnie D. Goodwin Must have for horror fans! 1 of 2 people found the following review helpful. Five Stars By Terrence Main Awesome

From Frankenstein to Peeping Tom, the imaginative flair of the horror film has always shocked and delighted viewers. Packed with images of the most terrifying scenes in cinema history, this fully updated volume with reviews right up to 2013 traces the genre decade by decade, providing a witty and informative critique of more than 300 movies from all around the world, and TV series, too. A team of seasoned, top horror experts leads the way with authority, humor, and encyclopedic knowledge, making this a superb guide for both die-hard and new horror fans.

"An extremely engaging and intelligent guide to horror film... informative, opinionated and downright interesting to read." (London of Books) "About the Author"
