Captions are hilarious and it's different pictures than their IG account and the book (which is also so cute and funny). 0 of 0 people found the following review helpful. Five Stars By Customer This is the most wonderful calendar. Good looking men, and they're reading books?! Yes, please. 0 of 0 people found the following review helpful. This calendar was a HIT! By Anonymous Ordered this calendar for my college-age daughter for Christmas. I noticed she follows Hot Dudes on Instagram...and she was absolutely thrilled! Why didn't I think of this idea? Makes a great gift for those who grow tired of oogling almost nude guys with slicked up muscles -- nothing sexier than a guy doing something intellectual!

Good looks and good books, paired with flirtatious (and hilarious) captions from the original creators of the Instagram sensation. Get on board with this collection of hot dudes, who are guaranteed to make your year a memorable ride. Is there anything better than a smart, handsome man greeting you every month? #Yup #OneEveryMorning
