**Bruce F. Kawin : How Movies Work** before purchasing it in order to gage whether or not it would be worth my time, and all praised How Movies Work:

1 of 1 people found the following review helpful. Very PleasedBy Yuberka EstevezVery reasonable prices and the book was everything I hoped for1 of 1 people found the following review helpful. Five StarsBy iluv2luv1102as advertised and quick, thank you1 of 1 people found the following review helpful. good sellerBy Mariusz JaskowskiGot it as expected

How Movies Work, offers the filmgoer an engaging and informative guide to the appreciation and evaluation of films. It provides a comprehensive consideration of movies from idea to script, casting, financing, shooting and distribution. Bruce Kawin addresses the book not just to students of film but to any filmgoer curious to know more about the process of the conception and creation of our favorite entertainment and art form.

"In "How Movies Work Bruce Kawin demonstrates quite deftly that one can engage in rudimentary ideological and formal analysis of Hollywood films, yet still discuss commercial film economics. . . ."How Movies Work is a unique

book because . . . it actually includes films by women and independents."--Patricia Zimmerman, "Journal of Film and Video"  
From the Back Cover  
How Movies Work offers the filmgoer an engaging and informative guide to the appreciation and evaluation of films. It provides a comprehensive consideration of movies from idea to script, casting, financing, shooting and distribution.
