Gordon Hunt : How to Audition: For TV, Movies, Commercials, Plays, and Musicals (2nd Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Audition: For TV, Movies, Commercials, Plays, and Musicals (2nd Edition):

0 of 0 people found the following review helpful. great for anyoneBy Tammy ReedI got this as a gift, so I have not read it. However, the person who did read it said it was helpful and gave lots of good advice.12 of 12 people found the following review helpful. Like Holding Someone's Hand on the Way to the AuditionBy S. StewartGreat tips for those who want to be working actors. At first I perused this as a library book, but quickly realized how helpful it would be, so I bought it. It's been a few years since I read it all, but I still use advice from its pages (like "have something creative to do after the audition..." or "your audition is not over until you are out the door").It reminds me of Michael Shurtleff's 'Audition', though Gordon Hunt's book is a bit more contemporary.34 of 35 people found the following review helpful. Excelent. Clear and right to the point.By A CustomerI bought this book after checking nine more in the bookstore. Despite I have two more in my wish list, this was perfect for me, because I was going to an interview three days later. So I devored the book, specially the interviews with different casting directors, because you learn from first hand. I went to the interview with a handfull of resources, and very confident.I also recomend "Audition" by Shurtleff, the best of the best. And "Acting is everything", full of resources.

Now revised to reflect the latest industry trends and realities, this bestselling guide (60,000 copies sold) offers actors the best, most specific advice for auditioning.

"A very thorough and thoughtful handbook for young actors." -- --Los Angeles Times
