Karen Salmansohn : How to Speak Fluent Lovey Dovey in 11 Languages in 24 Hours before purchasing it in order to gauge whether or not it would be worth my time, and all praised How to Speak Fluent Lovey Dovey in 11 Languages in 24 Hours:

1 of 1 people found the following review helpful. so sweet...By A Customer This is a great romantic gift...and fun to read together. For example it shows you how in France you call someone "my flea"/ma puce...and in Germany "zubermaus" or magic mouse...and it has lovey doveyisms from lots of countries...and really cute illustrations...! GREAT GIFT!!! 3 of 3 people found the following review helpful. Adorable! By A Customer This book makes a great gift to someone you love, any time of the year. Get it! Get it! Get it! 5 of 7 people found the following review helpful. Romantic Gift Book By A Customer This book makes a nice, romantic gift. It is attractively designed, bright and happy. I recommend giving a gift of love.

The French purport to be one of the most romantic cultures, but, my honeybunny, did you know that they call their sweeties mon petit chou (my little cabbage)? Or that in El Salvador, lovers call each other gordita (fatty) without getting slapped for doing so? From the bestselling author of How to be Happy, Dammit comes the ultimate gift for the jet-set coquette, How to Speak Fluent Lovey Dovey in 11 Languages in 24 Hours, a charming guide to terms of endearment from around the world. Now, my little mango, this book is cheaper than chocolate but just as sweet; perfect as a gift for Valentine's Day, anniversaries, birthdays or anytime you just feel like buying something for your

zaubermaus (magic mouse). And speaking of chocolate, makovka mya (my poppyseed), a New York chocolate company called True Confections has licensed the rights to create a box of chocolates based on this book! True Confections has also created chocolate bars based on Spiderman and Buffy the Vampire Slayer. And, ma puce (my flea), this book is far more useful than "voulez vous le beurre." In addition to its pronunciation guide, How to Speak Fluent Lovey Dovey also contains an International-Do-It-Yourself-Lovey-Dovey-Prefix-Suffix to prepare readers for world-class flirting. For instance, the Greek suffix aki means "little one" and when combined with the American term "jackhammer" gives you an instant new Lovey Doveyism: jackhammeraki! Thematically organized (Animal, Vegetable, Gardenvariety, Bodyparts, Insult-or-Compliment) and completely hand-lettered and illustrated by the author, HOW TO SPEAK FLUENT LOVEY DOVEY is the ultimate way to guarantee un beso from your querido this Valentine's Day.

About the Author Karen Salmansohn is the bestselling author of several books, including: How to Make Your Man Behave in 21 Days or Less Using the Secrets of Professional Dog Trainers, How to be Happy, Dammit: A Cynic's Guide to Spiritual Happiness, and The Clitourist: A Guide to One of the Hottest Spots on Earth.
