Truly a book for achievers By Big Mike Great book for fans of the movie, came in good condition and I enjoyed reading it. Great for casual reading while buzzed.

LOOK INSIDE THE BOOK First released in 1998, the Coen brothers' *The Big Lebowski* flopped at the box office. But over the past nine years the movie has developed a massive and passionate cult following, led by the creation of *Lebowski Fest*, a traveling festival of all things *Lebowski*. Held in a bowling alley, it features bowling, costume and trivia contests, live music, a screening of the movie, *White Russians*, and what-have-you. Attendance has grown exponentially and the Fest has been featured in virtually every national media outlet, from NPR to the *New York Times*. The *Associated Press* called it "kind of a 'Star Trek' convention, but without all the geeks." The *Wall Street Journal* simply intoned: "One hell of a party!" Now, at last, comes the book that the legion of *Lebowski* fans (aka *Achievers*) has been waiting for. *I'm a Lebowski, You're a Lebowski* is a treasure trove of trivia and commentary, hilarious throughout and copiously illustrated, including stills from the film, as well as dozens of photos taken on the set by Jeff Bridges. It includes interviews with virtually every major and minor cast member, as well as the real-life individuals who served as inspiration for the characters in the movie. The book features a handy guide to speaking *Achiever* (example: in English you would say that a woman is "feminine, or ladylike"; an *Achiever* would call her "strongly vaginal"), tips on how to *Dude-ify* your car, office, and living space, *Lebowski Fest* highlights, and so much more.

From Publishers Weekly If you recognize the phrase *I don't roll on Shabbos* or *The Dude abides*, then you've seen *The Big Lebowski*, filmmakers Joel and Ethan Coen's tribute to the detective genre starring Jeff Bridges as a bowling-loving stoner named *The Dude* who accidentally gets mixed up with kidnappers, nihilists and other strange Coen brother-style comic types. A financial and critical bomb released in 1998, it has since gained a devoted cult following, due in no small part to the efforts of this delightfully obsessive book's authors, the organizers of *Lebowski Fest*, a traveling celebration that combines the good vibes of a *Grateful Dead* concert with the fervor of a *Star Trek* convention. Like a typical *Dead* concert, however, the book is a lot of fun, but will seem uneven to all but the hardest-core fan. Highlights include insightful interviews with principal actors, including Bridges and John Goodman (I think that's the favorite thing I've ever done in my life). Unfortunately, the authors also feature various unsuccessful attempts at capturing the film's quirky humor (*How to Dude-ify Your Car*) along with too many long and repetitious interviews with various *Lebowski* fanatics. It's safe to say the executive bums of *Lebowski Fest* Will Russell, Scott Shuffitt and Bill Green are the national experts on "*The Big Lebowski*," what David Gergen is to *White House* politics. If CNN needed a talking head to opine about *white Russians* and the condition *Lebowski* is in, they'd interview these guys. The *Courier-Journal* (Louisville, Kentucky) About the Author Bill Green is a graphic designer and the poster artist for *Lebowski Fest*. Ben Peskoe is a Web developer and a writer. Will Russell, a magician, and Scott Shuffitt, an artist, are the *Founding Dudes* of *Lebowski Fest*.
