While reminiscing and paying tribute to Hollywood's Golden Age, the author guides the reader through a unique compilation of hollywood quotes. Purchased a few copies to give as Christmas gifts; the book was a hit, especially for those who

recall the era. Responses included "a wonderful book" and "brings back great memories".0 of 0 people found the following review helpful. Totally Enjoyable.By LindaA totally enjoyable read. Candie's knowledge and selection of some of Hollywood's most witty, funny and sarcastic quotes combined with her comments allows the reader to revisit forgotten movie classics. "I like older men. They're so grateful." Greta Garbo0 of 0 people found the following review helpful. Golden age of Hollywood.By CustomerThis is wonderful. The author has nailed it. If you know anyone who loves the Golden age of Hollywood, this is the gift for them and yourself. A must read.

Classic film lovers live and breathe them. Movie-quoting enthusiasts seek to find - and use - the best of them. Film scholars look to them for continued inspiration. And for the curious, *I Only Quote From the Best - Revisiting Hollywood's Golden Age*, provides an engaging introduction to 500 great untapped movie lines from every genre. Seeing their unforgettable faces in photos from yester-year, you can now connect their names with these celebrated lines. Highlighting some of my personal favorites within each chapter, have fun finding your own. Enjoy!
