Burton Ralph Pollin : Images of Poes Works (Bibliographies and Indexes in American Literature) before purchasing it in order to gage whether or not it would be worth my time, and all praised Images of Poes Works (Bibliographies and Indexes in American Literature):

0 of 0 people found the following review helpful. will buy next time. By Salomefast and in time. this price is valuable. my brother need so cool product, helpful. I'm very pleased with this product. It was affordable, and it cuts great. I was replacing an extremely dull chef's product that I couldn't seem to get sharp. This product has been a welcome change.

A reference tool giving evidence of Poe's influence on the graphic arts. The substantial introduction surveys the history of Poe illustration, with seventeen pictures included. The 1,625 annotated main entries detail all the discoverable books, portfolios, prints and paintings illustrating or interp

"Some 18 years in preparation, Pollin's 1,600-entry international catalog covers books, magazine articles, and artworks. All entries include bibliographic information and name the illustrator; Pollin comments on the style and content of the images he viewed and provides a location for rare items. Abbreviated symbols link the geographically arranged entries with the Poe stories and poems illustrated. Although the catalog contains only 12 plates, Pollin often provides citations to images reproduced elsewhere. Supplementary material includes an introductory survey of Poe illustration, an illustrator's list with biographical sources, and a filmography (which includes many 'purloined' Poe images found in films otherwise unconnected with Poe). . . . This scholars' tool will be useful to upper-level and graduate researchers in art and literature, and Poe bibliographers, and rare books and popular culture collections. Recommended for university libraries." -- Choice About the Author BURTON R. POLLIN is Professor Emeritus at the City University of New York.
