7 of 7 people found the following review helpful. The tech support who never disconnects you in the middle of a sessionBy Sharon L. KhaThese books are great-- well written, clear, easy to understand, not afraid the poke fun at the weaknesses of iMovie. The creative layout and abundant cross referencing makes it easy to find the information you want. I keep this beside me as an all around good tech support who never puts me on hold or refers me to somebody else and then disconnects me so that I have to start all over from the beginning.1 of 1 people found the following review helpful.
