1 of 1 people found the following review helpful. should have wonBy A Customerthis is an amazing screenplay. if you loved the movie you will love reading this. seeing the actions in print is just as powerful as watching on screen. this should have won best adapted screenplay (the royal tenenbaums should have won original).2 of 2 people found the following review helpful. A brilliant script/film of haunting, memorizing power!!!!!!By A CustomerAll I can say is-

Beautiful and Haunting.

The critically acclaimed *In the Bedroom* centers on the inner dynamics of a family in transition. Set in a tranquil town on the coast of Maine, it tells the story of a couple (Sissy Spacek and Tom Wilkinson) whose only child is involved in a love affair with a single mother (Marisa Tomei). When the relationship comes to a sudden and tragic end, each person must face the intensely difficult decision of how to respond.

About the Author Todd Field makes his feature film debut with *In the Bedroom*. He has received the Franklin J. Schaffner Award from the American Film Institute, a Jury Prize from the Sundance Film Festival, and his work has been exhibited at the New Directors/New Films Series at the Museum of Modern Art. He lives in Maine with his family.
