Perfect Gift!By CustomerAs a fan of the "Fantastic Beasts" film and the Niffler, when I came across this I bought it immediately and was not disappointed when I received it!There's a step by step guide that comes along with it, which was easy to follow along with. You can color it, but I'm thinking of leaving it the way it is. Highly recommend this product, and would purchase again in no time!0 of 0 people found the following review helpful. ... as a Christmas gift for my sister and she loved it - she said she was very impressed with ...By Amanda SchearI got this as a Christmas gift for my sister and she loved it - she said she was very impressed with the detailed components and the ease of assembly.0 of 0 people found the following review helpful. Kids can build their own customizable Niffler with this thrilling hardcover book and 3D wood model set from IncrediBuilds. This Fantastic Beasts and Where to Find Themthemed book and wood model set brings the world of the upcoming film to life. Filled with incredible illustrations and unit photography, the guidebook provides fascinating behind-the-scenes facts about the film and the creatures from the Warner Bros. archive and includes a do-it-yourself 3D wood model of the Niffler, one of the many magical creatures seen in the film.
