Suzanne Lyons : Indie Film Producing: The Craft of Low Budget Filmmaking before purchasing it in order to gauge whether or not it would be worth my time, and all praised Indie Film Producing: The Craft of Low Budget Filmmaking:

0 of 0 people found the following review helpful. Why reinvent the wheel? Just fuel and go! By Toy Monique Suzanne Lyons is brilliant in her knowledge and expertise. She has provided the starting point for everything you need to produce an indie film project. I've had the great pleasure of sitting in on her teaching sessions and she truly breathe's life into the words written. I'm excited to chart my journey and grateful to Suzanne for this roadmap. #worthit3 of 3

people found the following review helpful. Nuts-and-BoltsBy Christopher B. Producing books don't get more nuts-and-boltsy than this! She even shares how to open a bank account and tax ID number! No abstract theoretical fluff here - just rock solid, practical advice you can apply ASAP. 0 of 0 people found the following review helpful. This book has so much information. I bought it ...By AldoG This book has so much information. I bought it for my producing class as i needed this textbook. The class is now over and I see myself going back to this book over and over again. The book is full of valuable information that every film maker, whether producer or not, needs to know.

Indie Film Producing explains the simple, basic, clear cut role of the independent film producer. Raising funds to do your dream project, producing award-winning films with a low budget, putting name actors on your indie film-it's all doable, and this book guides you through the entire process of being a successful producer with bonus tips on how to effortlessly maneuver through the sphere of social media marketing and fundraising tactics. Indie film producer Suzanne Lyons pilots you through the actual making of low budget films to show you how easy and fun it can be. Laid out in a step-by-step, A to Z, matter-of-fact style that shows how the producer's role can be easy, how to treat the film as a business, and especially how to avoid the painful pitfalls faced by so many producers, this book gives you the essential tools you need to make your film a success from the ground up. . Begins with the earliest stages of concept development, continues through production post, and ultimately concludes with distribution. Shows you how to create a buzz for your film through marketing and promotions. Interviews with global producers who produced films using social media, festivals, apps, and more, give you real-world insight that can be applied to your own films. Website points you to a fantastic collection of resources that you'll need to produce your own films (www.focalpress.com/cw/lyons-9780240817637/)
