4 of 4 people found the following review helpful. I recommend the Kindle version of this book. By a2z Consumer This is not an in-depth review of Fantastic Beasts and Where to Find Them. I would not purchase the hardcover version instead I would purchase the Kindle version of this book. For a thorough review purchase The Case of Beasts: Explore the Film Wizardry of Fantastic Beasts and Where to Find Them and/or Art of the Film: Fantastic Beasts and Where to Find Them. I recommend purchasing the Kindle version of Inside the Magic because it's better to use as a reference when you're on the go and there are no extras in the hardcover :(0 of 0 people found the following review helpful.

Inside the Magic...Fantastic Beasts..By Ms. HohI liked this book. I wish it went into more detail, but in doing so, they would probably spoil a lot of surprises, so I understand why they couldn't reveal too much. Overall, an enjoyable behind-the-scenes look at the movie.0 of 0 people found the following review helpful. lot of great pictures.By LibraryRoseGot this for my son, and we all had a blast reading it.
