**Ronald Compesi, Jaime Gomez : Introduction to Video Production: Studio, Field, and Beyond** before purchasing it in order to gage whether or not it would be worth my time, and all praised Introduction to Video Production: Studio, Field, and Beyond:

Written in a clear, non-technical manner, Introduction to Video Production focuses on the fundamental principles of video production and the technologies used in production. This book discusses video aesthetics, technologies, and production practice in a clear and concise manner. It also emphasizes the importance of teamwork and planning in the production process. Chapters are clearly organized and heavily illustrated, with key terms identified in boldface. With Introduction to Video Production, readers will learn not only how the technology works, but how to work with the

technology and with each other.
