Samuel Laguna : IT's a Funny Career: Four Decades, Fifty Funny Stories before purchasing it in order to gage whether or not it would be worth my time, and all praised IT's a Funny Career: Four Decades, Fifty Funny Stories:

1 of 1 people found the following review helpful. The stories are funny, reminds me of my own career in IT By Jetson T. The stories are funny, reminds me of my own career in IT. I was laughing at the start of the first story, I may never chew gum again and not chuckle. It's a funny read, not quite Jack Karouac but its hidden with jewels of growth, life's tribulations and how to see the wacky side of life. A down to earth story teller, kind of a mix between Louis CK and Larry David. I couldn't put it down, enjoyed it. 0 of 0 people found the following review helpful. This was

recommended to me as a quickBy Navy87This was recommended to me as a quick, funny read about an IT career in a global corporation. And it was! The stories are short and to the point, like you're sitting down with Sam at the bar to swap stories. There many laugh-out-loud moments, but also the occasional insight into working with difficult coworkers, handling crises with professionalism, leading teams with integrity... and even how to deal with it if you're asked to become a spy?! Very enjoyable and glad I picked it up.0 of 0 people found the following review helpful. Laugh out loud :)By Kenney AntoneyNicely done and refreshingly honest. Loved, loved, loved this book. Laugh out loud funny, heartwarming, real characters. IT will make you remember your experience in IT world too.I wish I can take Sam to the same Chinese restaurant that he mentioned in this wonderful book :)...Brilliant choice from IT service excellence team.

COMEDY, FICTION: A collection of fifty irreverent, hilarious, stories about a street-smart New Yorkers career in IT. Samuel Laguna traveled the world and rose to the top of his profession having had loads of fun along the way. If youre looking to improve your storytelling capability, this is the book for you. The crazy stuff he has experienced and has written about is guaranteed to make you laugh. But dont expect a ton of boring technical talk, Sams experiences are based on real-life, kooky-cultural situations, what he had learned along the way, and how he dealt with them all. It is a fast read designed to keep the core message short, very real and very funny.
