Do yourself a favor and get one of these for next to your bed, and for your desk in your office, and for anywhere else you need to have a smile.5 of 5 people found the following review helpful. So fun every day!By Julie KleinI have last year's and we like it so much, I bought 4 this year to give as gifts!0 of 0 people found the following review helpful. Fun calendar. Would buy again.By HilaryThis has been a great calendar for my office. I indeed enjoy the daily differences. It's very clever, and there are some fun interactive parts. I often share the daily content with friends and coworkers. I also like to go online and see what others did with the little projects that are included on some days (e.g. color a page, cut out a tiny house for a tiny animal, etc.).

Every day is differentso why not have a calendar thats different every day, too? Make 2017 a year of adventure with this new one-of-a-kind calendar full of random oddments to make you wonder, laugh, reflect, and engage the world around youevery day!
