**Peter Bondanella : Italian Cinema: From Neorealism to the Present** before purchasing it in order to gage whether or not it would be worth my time, and all praised Italian Cinema: From Neorealism to the Present:

0 of 0 people found the following review helpful. Awesome product!By Amy AnisgartenAwesome product!0 of 0 people found the following review helpful. Four StarsBy NaomiJVery helpful for my cinema studies class.1 of 2 people found the following review helpful. GreatBy Mr. ModiGives a complete history of Italian cinema and does a

good job describing the differences between the different eras. If you like to read about cinema you'll like this.

"A very good book and a very accurate one."Federico Fellini"The librarian who does not get Bondanella immediately must be petitioned, picketed, importuned."Choice"Extremely interesting and stimulating."Bernardo Bertolucci"This comprehensive guide to Italian cinema focuses on cinema as an art form, and the key role played by the director. Bondanella's firsthand knowledge of the Italian language and culture a level of knowledge unavailable to most American film critics/writers provides students and aficionados of Italian cinema with in-depth insights."Book News"The premier single volume reference to Italian films available to an English readership....This comprehensive reference is an essential, core addition to any personal, professional, or academic film reference library."The Bookwatch, July 2001 To measure the progress and development of Anglo-American studies on Italian cinema, one needs only to consider Peter Bondanella's pioneering and seminal Italian Cinema from Neorealism to the Present. Despite its shortened account of silent and early sound Italian films, Bondanella's work carries the crucial merit of having opened up a panoramic view of Italian national cinema to Anglo-American film scholars who in general were mostly familiar with only a few masterpieces. Over the years, Bondanella's systematic approach has enabled and inspired countless studies."Gian Piero Brunetta About the Author George, Utah.
