J'aime this book!By TravelSnob2For those already familiar with Lily's dating trials and tribulations from her first book, "Je T'aime Me Neither", you will enjoy the follow-up. She's learned some lessons, but the fun continues fueled by a little wine and a lot of Paris. Who is Mr. Maybe?? Lily will

keep you guessing until the end! 1 of 1 people found the following review helpful. Great book by an amazing author! By Customer Another great book written by Lily! The book kept me intrigued right to the end and I can't wait for book number 3!! Amazing job and well worth the read! 1 of 1 people found the following review helpful. Parisian-Style Bridget Jones Adventure By Heather Stimmler Once again, Lily writes about the romantic adventures that we assume every young woman in Paris must be having...but which most of us can only daydream about from our more mundane lives. But after the wild enjoyment of the bad boys in the first book, this one shows how our pretty antagonist has finally grown weary of games and ephemeral adventures, and now looks for true love. Of course some of the ghosts of relationships past rear their charming heads. Does she resist? Maybe. ;-)) It's quite a rollercoaster that I was happy to read about from the safety of my sofa! If you're looking for a sort of Parisian-style Bridget Jones, you'll love "Je t'Aime...Maybe?"

After barely surviving a turbulent series of romantic misadventures in the City of Love (found in the first volume, Je T'aime, Me Neither), our heart-torn heroine Lily is ready to throw in the towel on amour. That is, until she receives a very unexpected email--one which revives her hope in finding true love ... yet at the same time awakens the mischievous, passionate energy of Paris.

"Romantic misadventures in the City of Love? Count me in! Hilarious and entertaining, one of the best parts of this romantic tale is that it's based on true events. If you've ever dreamed of finding love in the City of Light, grab this book and follow Lily la Tigresse on her lively journey!" - Vicki Lesage, author of Confessions of a Paris Party Girl "If you're looking for a sort of Parisian-style Bridget Jones, you'll love Je T'Aime... Maybe?" - Heather Stimmler-Hall, author of Naughty Paris: A Lady's Guide to the Sexy City About the Author April Lily Heise is a Paris-based Canadian writer and romance expert.
