This is not as good as his eariler volume, or maybe my tastes have just changed.

Joe Bob Briggs, the only man alive who has: watched more than 23,000 drive-in movies and rated each one according to the three B's: blood, breasts, and beasts. Used his Notoriety to become the host of "Drive-In Theatre" on The Movie Channel, one of the highest rated shows on cable TV. Been kicked out of the "Babtist" Church for the general overall condition of his soul. Preached the drive-in gospel in theaters coast-to-coast, including the Berea, Ohio, High School Auditorium. Increased the price of this book by two dollars over what he charged for the original "Joe Bob Goes to the

Drive-In" (four ex-wives).
