John Finnemore : John Finnemore's Souvenir Programme: Series 6: BBC Radio 4 comedy sketch show before purchasing it in order to gauge whether or not it would be worth my time, and all praised John Finnemore's Souvenir Programme: Series 6: BBC Radio 4 comedy sketch show:

1 of 1 people found the following review helpful. 4 stars...By ClaireUp to John Finnemore's usual standard. The Souvenir Program radio show consists of short skits, and this one includes a Christmas special. It played on BBC 4 radio at the end of last year (2016) into early this year. I admit that I wasn't patient enough to wait for it to come out on CD, so listened to the radio show online through the BBC website. The only downside is that this is on CD, whereas most of the audio materials I am listening to these days (aside from radio shows on the BBC website) are on Audible (so that I can listen to it via my phone rather than having to wait until I am driving since my car is the only CD player I still have).

The award-winning BBC Radio 4 sketch show returns, written by and starring John Finnemore. Winner of the 2015 BBC Audio Drama Award for 'Best Scripted Comedy with Live Audience', the programme was described as 'one of the most consistently funny sketch shows for quite some time' by The Guardian. The sketches and skits feature Margaret Cabourn-Smith, Simon Kane, Lawry Lewin and Carrie Quinlan. Duration: 2 hours 50 mins approx.
