**Donald Clark, Christopher P. Andersen : John Wayne's the Alamo: The Making of the Epic Film** before purchasing it in order to gauge whether or not it would be worth my time, and all praised John Wayne's the Alamo: The Making of the Epic Film:

0 of 0 people found the following review helpful. Good BookBy James GriestGives a pretty good account of what John Wayne had to go through to make this long epic motion picture.12 of 12 people found the following review helpful. Incredible Movie..incredible BookBy kjsimon@bellsouth.netThis is a comprehensive and amazing inside look at John Wayne's greatest dream...to recreate on film the TRUE story of one of the most inspiring events in US History. The book explains how the Duke spent 14 years preparing for this film and an equal number of years working to pay the expenses this movie cost him PERSONALLY. He believed in this project so much that he risked EVERYTHING putting it on film....sparing NO EXPENSE...in time, effort and money. The book is packed with glossy color and bw pictures....interviews, and background information about EVERY aspect of this great motion picture....The Alamo.6 of 6 people found the following review helpful. Excelent insight into the making of John Wayne's epic film.By A CustomerThis is one of the greatest books concerning the making of Alamo movies. Full of rare pictures and

interesting stories behind the making of the epic film. This is one you won't want to pass up
