Douglas Brode : John Wayne's Way: Life Lessons from the Duke before purchasing it in order to gage whether or not it would be worth my time, and all praised John Wayne's Way: Life Lessons from the Duke:

5 of 5 people found the following review helpful. I was greatly disappointed to find that the book is simply a filmography ...By Bob FergusonI was greatly disappointed to find that the book is simply a filmography of John Wayne films. The majority of the films having been made way before his "Duke" character was fully developed lacking any dialogue worthy of being included in "Everything I Need to Know I Learned By Watching John Wayne Movies" the title referenced in American Cowboy Lonesome Dove Special Issue 2014 page 5 . "The Message" added at the bottom of each entry seemed strained and disconnected from John Wayne and not worthy of many of his characters like the John B. Books quote from "The Shootist" , "I won't be wronged, I won't be insulted. I won't be laid a hand on. I don't do those things to other people, and I require the same from them.". THAT is a classic line! I wish

the book had focused more on the actual quotes that personified John Wayne and not gone the easy route of just using his filmography. 0 of 0 people found the following review helpful. Five Stars By Customer It was excellent 0 of 0 people found the following review helpful. Five Stars By russell larson john wayne is the best

As John Wayne's character said in *The Alamo*: There's right and there's wrong. You got to do one or the other. The ultimate measure of a man is how he chooses to act. From the pithy to the humorous to the profound, the film career of the man known as The Duke is full of life lessons for today. In *John Wayne's Way*, author Doug Brode explores the film legacy of the Duke and provides commentary on the lessons learned from the archetypes of the West and American manhood Wayne displayed on the silver screen. Complete with quotes and photographs from the movies, these pithy lessons will be appealing to John Wayne fans and Western film buffs.
