Jesus F. Jauregui, Scott A. Lopez : Johnny Was A Gangster before purchasing it in order to gage whether or not it would be worth my time, and all praised Johnny Was A Gangster:

2 of 2 people found the following review helpful. A quick and entertaining readBy Kaya M.This screenplay was recommended to me by a friend. It won an award for Best Urban Action Script in a recent contest. While it is not exactly a genre I would usually select, it was a quick read that entertained. I read it in one sitting so I could find out what happens to the main character.1 of 1 people found the following review helpful. WowBy ANEL GARCIAReally enjoyed reading "Johnny was a Gangster." I usually don't read these types of stories but as soon as I started reading it I

was hooked. I wanted to know what was going to happen to the main characters. I enjoyed all the characters in the screenplay and the story. I really hope they continue writing the story to learn what happens to the characters. I would highly recommend this screenplay and understand why this screenplay won an award. 2 of 2 people found the following review helpful. Five Stars By Customer It was a thrilling, shocking and attention grabbing script!!!!. Very interesting because of the different perspective angle. Dolores

Its hard to be a gangsta, especially when youre not. A young man returns to his once idyllic neighborhood, a neighborhood about to explode as a gang war threatens to rip it apart. A case of mistaken identity on the wrong side of town leads him on a dangerous and bloody journey through a web of revenge, treason and greed. His only possible salvation? Make it all the way home. Easier said than done when rival gangs, the whole police force and the love of his life are there to complicate matters.
