It is "ok", not essentialBy Sealed FateI was expecting a much more visual and colorful presentation, filled to the gills with "eye candy" as it were, of this iconic classic. Nope. The layout is pretty drab and uninspired, in my opinion.The book is formatted rather small, so the print isn't very large which made it harder for these old eyes to see and read. NO color anywhere in the book excepting for the front cover. There

weren't many black and white photos or stills for that matter, either. Last, and most importantly, I didn't find the book very comprehensive nor engaging. Wasn't "bad", but didn't really impress me much either. I admit going into this with some assumptions, but I'm just not that impressed. I regret the purchase. 0 of 0 people found the following review helpful. Good but short. By George A good book full of great facts but it's far too short. The first film got 70% of the book with the rest just a couple pages each. I felt like this book wasn't quite finished as it would have been nice to see the sequels get as much attention as the first film which has had many books written about it. 0 of 0 people found the following review helpful. Patrick Jankiewicz is amazing! By Haley JoAnna Purchased this for my co-host of 52 Weeks of Horror (website) after we had met the author Patrick Jankiewicz at a convention. This is by far the best book on Jaws I have ever read!

Did you used to hate the water, but can't imagine why? Do you feel a constant need for a bigger boat? Do you want the Mayor to close the beaches? If the answer is 'Yes' to these questions, you are a JAWS fanatic and **JUST WHEN YOU THOUGHT IT WAS SAFE** is the ultimate JAWS companion! Everything you need to know about the scariest movie ever made is in this book. Learn the terrifying true story that inspired JAWS! Hear how such classic lines as "Smile, You sonnuva--" and "We need a bigger boat!" were created. Finally, a book about the entire JAWS series! Meet all the first shark's victims, discover behind-the-scenes facts and gossip on JAWS! Encounter those responsible for JAWS 2, JAWS 3-D and JAWS: THE REVENGE! Find out about the aborted JAWS sequel, NATIONAL LAMPOON'S JAWS 3 PEOPLE 0 and which JAWS sequel was supposed to start with the shark eating Chief Brody!" Journalist PAT JANKIEWICZ, writer for FANGORIA and STARLOG takes an incisive look at the amazing story of the entire JAWS franchise!
