

(Download free ebook) Kawaii Not: Cute Gone Bad

Kawaii Not: Cute Gone Bad

I find that Meghan Murphy pokes delightful fun at the culture of kawaii. Besides the bountiful collection of wonderful four-pane comics, there's a few treats like the manifesto, kawaii-o-scope and a short story. As an added bonus, I find that the way the book is constructed lends itself nicely to turning each comic into a postcard. My friends love receiving them. I'd recommend this as a gift to anyone over 13, seeing as some references and wording are a more adult. If you want to get an idea of what the humor is like, Ms. Murphy has constructed a website: [...]. Most of what you see there is also in the book. I hope you enjoy!

0 of 0 people found the following review helpful. Cute little booklet that makes a great gift
By Juliana LV Really adorable, entertaining book. A little overpriced for the level of comedy/art in here, but why not support artists while having a laugh! It makes for a good gift
0 of 0 people found the following review helpful. cute and naughty all rolled into one funny book!
By vita Very witty, cute and naughty all rolled into one funny book!

Cute Gone Bad What does Kawaii Not mean, you ask? Well, kawaii is the Japanese term for "cute," as in, "Look at the fuzzy kitten, he's so kawaii," and not is an English term meaning "not." It's that simple. These subversive comics combine Japanese-inspired cute with Meghan Murphy's truly quirky sense of humor, creating a strange and beautiful hybrid that is as crazy and crude as it is adorable. Inside, find: 100 original comics with perforated pages
Stickers! Nothing is more kawaii than stickers!
A "How Kawaii Are You?" quiz, a Kawaii Horoscope, and a Kawaii Manifesto

About the Author Meghan Murphy is a freelance illustrator and webcomic artist who first started Kawaii Not on a bizarre lark, but instead found a true calling in exploring the dark side of cute. She continues to delve deeper and draw weirder with each passing day. www.kawaiinot.com
