Trixie von Purl : Knit Your Own Kama Sutra: Twelve Playful Projects for Naughty Knitters before purchasing it in order to gage whether or not it would be worth my time, and all praised Knit Your Own Kama Sutra: Twelve Playful Projects for Naughty Knitters:

22 of 22 people found the following review helpful. Funny, mildly sexy; great resource for making 11" knitted dolls and wardrobes. By Madame Hardy This is the most charming knitted doll book I own. You won't want to leave it around for your grandchildren to peek at, but honestly the sex part is quite mild. There are naked dolls to knit, which don't have nipples or pubic hair, and the male doll crotches are suggestive rather than explicit. However, patterns for two naked dolls wouldn't make a book. The author has therefore considered the various scenarios seen in erotica, and

has provided patterns for all the clothes and sets that support those scenarios. There is a knitted bearskin rug, knitted peignoirs, a knitted honeymoon suite, a knitted tent, a knitted photocopier ... you get the idea. Each scenario has one picture of two naked knitted dolls going at it, but you probably did more explicit things with your Barbie dolls. (Maybe that was just me.)The dolls are done in stockinette with fingering yarn on double-pointed U.S. size 2 needles; there's some short-row shaping. Some of the clothes and accessories are more advanced, including dresses in simple lace patterns (laceweight yarn); a photocopier in seed stitch and intarsia knitting; a wonderful pin-striped suit with the rows running vertically; and a chicken with slip-stitch patterned wings. (Don't worry, the chicken is a prop and is not actually involved in the sex. No chickens were harmed in the making of this book. A moose, however, appears only from the neck up and mounted on the wall.)If you're the sort of person who is comfortable reading the original Kama Sutra, this book will seem (at most) mildly saucy to you. If you are uncomfortable reading one-page descriptions of sexual positions illustrated by knitted dolls, you'll hate this book. And if you want to make 11 1/2" dolls plus wardrobes, seriously consider buying this.

0 of 0 people found the following review helpful. Giggles!By Becky Z.Hilarious and racy. Some of my friends look askance at me when I share it. I hope to knit at least one couple - but they will be displayed fully clothed. Excellent little people to knit with stylish clothes, a nice change from the sweet costumes grandmas get to knit.

2 of 2 people found the following review helpful. Not a one trick pony! This book has much to offer.By Joseph R ShawReally clever and fun knitting projects. As a beginner knitter, this is beyond my skill level however it is a great course in sculptural knitting, clothing construction, doll making, and knitting with tiny double pointed needles. The knitting skills used for the projects in this book have many applications beyond the content of the book. With the help from technical how to books, I am knitting my way through Knit Your Own Kama Sutra.

Spice up your needlework with this adventurous, irreverent, and fun guide featuring twelve projects inspired by the Kama Sutra the classic illustrated handbook of sexual instruction the perfect gift book for playful needle crafters. Knit a variety of the most popular positions from the classic Kama Sutra, as well as a few of the more intriguing acrobatic poses with this frisky project book that is sure to get your creative juices flowing. All twelve projects include a witty overview highlighting quirky facts and information relating to each position, clear, easy-to-follow knitting patterns and detailed instructions for every stage, and gorgeous full-color photographs to help you visualize your progress, step by step. In keeping with the lively spirit of the classic book of love, each project is given a different setting. Moving beyond the bedroom, naughty knitters can set their amorous couple in the back row at the movies, beside the fire in a cozy log cabin, in the hot tub, in an office closet, or camping under the stars. Here, too, are complete patterns and instructions for knitting a variety of delightful accessories to accompany each scenario, including miniature bags of popcorn, backpacks and hiking boots, tents and sleeping bags, as well as personal features such as hairstyles, glasses, and beards, and a selection of fun outfits, including lingerie, sweaters, dresses, cowboy hats, and socks. A cheeky and light-hearted take on traditional knitting projects, Knit Your Own Kama Sutra is ideal for fun-loving crafters everywhere.

If you're young and you don't know every possible sex position, then this is a fantastic and fun way to learn. (T: The New York Times Style Magazine)...even if you can't knit a single stitch, you'll want to check them out. (Women's Health)Based off the Kama Sutra, this book has some amazing pieces that will definitely warm up your needles. (Chicago Knits Magazine)With detailed instructions and photos, Von Purl leads naughty knitters step-by-step through what she calls twelve playful projects. (Washington Post)From the Back CoverA wonderfully refreshing antidote to boring needlework, Knit Your Own Kama Sutra offers twelve naughty knitting projects based on popular positions from the classic Kama Sutra. Create a wide variety of amorous pairs with distinct hair and facial features, frilly lingerie, and delightful accessories, then place them in their own unique setting, from smooching in the back row at the movies to getting frisky in the hot tub. Clear, easy-to-follow instructions for both knitting patterns and positions help guide you through every stage of the project, accompanied by detailed photographs so that readers can visualize each and every step. Engagingly witty and utterly unique, Knit Your Own Kama Sutra is the perfect book for creative knitters looking for bold new ideas to spice up their stitch life. With more than eighty color photographs

About the Author Trixie von Purl was born Patricia Purlton and came to fame in the 1960s when she had to flee to India after a scandal involving a fling with a famously full-lipped rock musician of the time (hint: he wasn't in The Beatles). It was in India that she became fascinated with the Kama Sutra, and for a brief time changed her name to "Indrani," believing herself to be the incarnation of the Queen of Heaven. Trixie eventually moved to California and turned her attention to the burlesque scene, teaching today's well-known burlesque stars everything they know. This is when her love of knitting got the better of her, and she started to combine the craft with her once-favorite subject. Trixie now lives in Paris and can often be found entertaining knitting salons with stories about her colorful past.
