1 of 1 people found the following review helpful. Useful tool for meal planning! By Janet Already used one of these pads and ordering another. I use this pad to organize my weekly dinners. Saturday morning I sit with my husband and plot the meals for the week. It's efficient and eliminates panic of what to make for supper! 0 of 0 people found the following review helpful. Great way to budget and meal plan By RN Mommy This is really helpful for me to keep our grocery budget and meal plan for the week. I do however wish there was a spot for a grocery list. I like to make a list of what's needed while I meal plan. Other than that, this is a really helpful tool! Also, I love that there's a magnet on this notepad to hang it on the fridge. 0 of 0 people found the following review helpful. Plan to succeed By Mommy Carter This pad helps me sit down weekly and schedule my menu. Too often I'd write out a bunch of meals but forget we had other plans throughout the week. This helps guide me before I put together my shopping list.
