Wallace D. Wattles : La Ciencia De Hacerse Rico before purchasing it in order to gage whether or not it would be worth my time, and all praised La Ciencia De Hacerse Rico:

About the Author Marc Stewart is an artist and the author or editor of ten books all based upon his own research in the new and growing daily field of the "Psychology of Happiness." He is the creator of the Sangreal board game available from his online store GodsAnswer.org. And he is also the creator of the amazing "Sangreal Method" where by you can ask any question of your subconscious (God within) and get an immediate truthful reply answer in a word or words given to guide you towards your goals. He also turned the Transcendental Meditation movement on its head with his "Meditation Clicks Brain Gym" book which demystifies and teaches Transcendental Meditation in the comfort of your own home in five minutes and which arms with extreme meditation confidence. He is the father of two now very grown up daughter's whom he raised solo from the time they were in nappies.
