**Steve Newman, Ed Marsh : Last Action Hero: From the Story by Zak Penn and Adam Leff and the Screenplay by Shane Black and David Arnott** before purchasing it in order to gage whether or not it would be worth my time, and all praised Last Action Hero: From the Story by Zak Penn and Adam Leff and the Screenplay by Shane Black and David Arnott:

Behind the scenes with Arnold Schwarzenegger and Last Action Hero. Over 40 photos in full color! Schwarzenegger is Jack Slater, the movies' greatest action hero. One day Slater's world gets shaken up when a magical ticket blasts his

biggest fan,. eleven-year-old Danny Madigan (Austin O'Brien), out of his theater seat and right into Slater's newest movie. Teamed with his favorite action hero, Danny gets to live out his wildest fantasies, as he crashes cars, flies through windows and takes on the bad guys in a fictional world where anything is possible. This official companion book places the reader at the heart of the action, following director John McTiernan (Die Hard, Predator, The Hunt for Red October), the stars, and filmmakers as they create the ultimate action adventure fantasy. The book features: \* an exclusive QA interview with Arnold Schwarzenegger \* over 100 action-packed movie stills and drawings, over 40 in full-color \* insider stories on the stunts, the explosions, the special effects, the costumes, the sets, the cast, and the entire spectacular production

About the Author Steve Newman (Total Recall, Terminator 2: Judgment Day) is the film's marketing coordinator. Ed W. Marsh (The Making of Terminator 2, Under Pressure: Making the Abyss) is one of the film's video documentarians.
