**Richard Webber : Last of the Summer Wine (Best of British Comedy)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Last of the Summer Wine (Best of British Comedy):

1 of 1 people found the following review helpful. Last of the Summer Wine By E. Ervin I am not the only family member who absolutely adores Last of the Summer Wine. It is my most favorite television series ever and that is saying a whole lot. This series was the usual delightful group of programs - as usual. I love Cleggie especially for some reason. The scenery in rural England is gorgeous and makes you want to visit. The characters are just fantastic. If you like British comedy you would have to love this. I know that I do. 0 of 0 people found the following review helpful. A non-book By Barbara McRip off book. Wish someone would write a real book about the series and/or the actors. 2 of 2 people found the following review helpful. Kindle version By Customer Kindle version is very much

lacking and very disorganized. It is like someone scanned the book for the words only and not the pictures since the text would suddenly jump around and have no continuity. Do not buy the Kindle version.

Set and filmed in and around Holmfirth, West Yorkshire, Last of the Summer Wine follows the adventures of three quirky pensioners and their equally unusual neighbors. A true British classic that appeals to all generations, it is Great Britains longest running comedy program. The line-up of the comedy trio has changed numerous times over the years, but the caliber of the family-friendly humor Roy Clarke creates has remained the same, and its as funny and eccentric now as it was in the first episodes he wrote over 25 years ago. The book includes: The History: an overview of how Last of the Summer Wine was born and developed; Gags and Catchphrases: a collection of classic quotes; Did You Know?: snippets of info about the show, cast, etc.; Favorite scenes: the most memorable scenes in full; and much, much more!

About the Author Richard Webber is the author of over a dozen books celebrating classic comedy.
