Great for late elementary to early intermediate students. I own a copy, and bought several to give as gifts to students at a recital we held recently. They loved these! 1 of 1 people found the

following review helpful. Superb music,relatively easy, good presentationBy KennethThese pieces are marvelous for the sophisticated sound Schumann gets with the least amount of technical effort. Even those that are very easy to play invite good interpretation to make them special.0 of 0 people found the following review helpful. yesBy lizschumann is the bomb.com
