From Alfred Music : Schumann -- Symphonic Etudes, Op. 13: Etudes en Forme de Variations (Alfred Masterwork Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Schumann -- Symphonic Etudes, Op. 13: Etudes en Forme de Variations (Alfred Masterwork Edition):

Schumann's Symphonic Etudes is one of the most astounding musical accomplishments of the 19th century. The set consists of a theme, seven variations and a lengthy finale. This work is as significant for Schumann as were the

Goldberg Variations for Bach, or the Diabelli Variations for Beethoven. This edition contains informative background information as well as notes on the composer and the music.
