**Scott Houston : Scott The Piano Guy's Favorite Piano Fake Book** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Scott The Piano Guy's Favorite Piano Fake Book:

The book was missing last song, "cheatin heart". It appeared to be a defect as the last 2 pages were blank and were also sliced off. I called and, no problem, they are shipping me another one. Otherwise, I like the selection and am excited to get started. My instructor asked me to get fake music with lyrics and just the melody and this looks like a good one to start with. All the songs are in the key of C and have helpful hints at beginning of book on how to sound like a professional.

I first saw Scott on a PBS pledge special and I was intrigued by the piano playing system he was

touting. I'm very happy with this purchase, and it explains well the simple system of playing chords with the left hand and melody with the right. 16 of 16 people found the following review helpful. Excellent companion to Scott's book/video By Christopher Wolff Although I'm a long-time note reading pianist, Scott's method is a great way to play pop tunes from memory. What's different with this fake book is the chord charts that are included with every song. Not only are the exact notes annotated for all chords in the song, he also shows the alternative chords (i.e., playing Cmaj7 instead of C) that you can try after mastering the basic chords. Since there are many alternative chords, I appreciate having what he suggests to start with. For example, the Beatles' song "Yesterday" has no alternate chords whereas "The Way You Look Tonight" is loaded with them. I plan to buy volume 2 after I've learned all the ones I like from this book. It's hard for a note reader like me to not have every note and action spelled out, but the reward of being able to play songs from memory keeps me going.

(Fake Book). Next time your friends see your piano and say, "Play 'Misty' for me," impress them and really do it! This fake book includes 74 popular song arrangements from Scott Houston, the Piano Master of PBS. Includes: All the Things You Are \* Blueberry Hill \* Can You Feel the Love Tonight \* Crazy \* Endless Love \* The Girl from Ipanema \* Heart and Soul \* Hey Jude \* I Will Remember You \* Imagine \* Let It Be \* Misty \* Moon River \* My Funny Valentine \* Satin Doll \* Somewhere Out There \* Stand by Me \* and more. Includes Scott's unique "simple chord frames" for each song.
