Mike Ward : Scratch Solve Hangman in the Moon (Scratch Solve Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Scratch Solve Hangman in the Moon (Scratch Solve Series):

About the Author Mike Ward is the head puzzle compiler at Brainteaser Publications. He has been compiling puzzles for about 20 years, starting off by producing crosswords for various newspapers, then branching out with publications with a brainteaser flavour. Ward, who is based in New Zealand, published the Scratch Hangman books there and sold over 250,000 copies before assigning the title to Sterling.
