Super Fun GiftBy whitemouseHave purchased many of these Scratch Solve Hangman titles for gifts, however, this Hollywood Hangman is a great idea for anyone who likes TV/movies. They are fun and easy to do. Great for anyone to put in their backpack, purse, or stash for times when you are waiting around in doctors offices, etc. We do at home with our kids and they think they are so much fun. The scratch off part is just like a lotto scratch off so that is some of the appeal. Everyone wants to get in the game. Makes a great stocking stuffer too!0 of 0 people found the following review helpful. More than worth the price.By Julie SchmittExtremely well done.

Lets you play hangman Hollywood style. In this title, each page contains a puzzle whose answer is a famous actor or actress. Just pick a letter, scratch off the silver circle and see if the letter you picked is in the person's name. Keep picking until you figure out the star, but no more than 6 wrong guesses or you flop.
