All are very entertaining and fun to do on your own or with a family member or friend. This particular one is even more fun because everyone regardless of age knows something about movies so it makes for a great guessing and conversation time. Before you know it, you have been together for an hour or two just laughing and talking plus making your brain work a little. Good fun. 1 of 1 people found the following review helpful. This is designed to play by yourself. By sjrI liked this one more than some of the other scratch and solve hangmans I have bought because the theme gives you some idea of what the word could be. The other ones are so random that it is hard to figure them out. This is a great book to use in the car. Would definitely buy again. 0 of 0 people found the

A+By KristiGreat product, price was a little high but thanks to 's 4 for 3 promotion on books, we got lots of great stocking stuffers that will keep our entire family busy on an upcoming trip. I'm all for anything to keep the kids busy-and these are perfect because they can even play alone!

These hangman games with movie themes are as much fun to solve as the best film noir mysteries are to watch. In each puzzle, there are 26 scratch-off circles with numbers hidden underneath. Pick a letter, rub off the circle, and find out if the letter is in the puzzle and where. Spell out the names of favorite actors, movie characters, films, and more.
