**Mike Ward : Scratch Solve Travel Hangman (Scratch Solve Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Scratch Solve Travel Hangman (Scratch Solve Series):

Sometimes, I just don't have the extra time to play numerous games and with this one, he can play by himself!2 of 2 people found the following review helpful. Great BuyBy Larita wootenI bought this book as a way for my husband to pass time...Not only did he enjoy it but his friends did as well. Everyone is waiting for the next one!2 of 2 people found the following review helpful. Kids love itBy olddudeScratch off hang-man. Mildly addictive time waster. Kids love it. It has a few typos or I would give it 5 stars.

This is a new take on Sterling's popular series! And now everyone can play even when there are no friends around. In this brand-new installment, all the answers are related to travel. Each page features one puzzle and each puzzle has the 26 letters of the alphabet accompanied by silver circles to scratch off. Choose the letter, give it a rub, but watch out: six misses and it's the hang-mans noose!
