Big Payout By A Customer Not to recently did i get this magazine was i able to price over 333 rares, holos, and japanese pokemon cards with the greatest of ease. Its easy to see that Scrye has the best up to date prices than any other price guide I have ever seen amongst Beckett, Pojo.com and many others. What also made this magazine a big payout was the japanese pricing and "Translations". Its hands down that this magazine deserves 5 stars because no where else can you find the most up to date pokemon prices.
