Amusing, and a great gift for close friends who enjoy some good "raunchy" humorBy BlondieI bought a bunch of these to give away as part of my Christmas gifts to close friends of mine. They were a HIT! The dot-to-dots are actually very intricate (i.e. tons of dots to connect) and the images are pretty amusing.I'd say this is a win for anyone's "saucier" gift basket (or personal collection)

Spread some sexy seasonal joy with this gorgeous collection of 30 hidden hunky men, all strutting their stuff in different poses and just waiting to reveal themselves as you join their dots. With so many hunky men guaranteed to

make an appearance right in front of you, what are you waiting for?
