Michael Kochan : Secrets of Professional Sports Betting before purchasing it in order to gage whether or not it would be worth my time, and all praised Secrets of Professional Sports Betting:

0 of 0 people found the following review helpful. Purchased for a friendBy Martin D. Hardyman Sr.Yes0 of 1 people found the following review helpful. Four StarsBy bob1985chalkfull of stratagys and tips. well worth it1 of 2 people found the following review helpful. Good BookBy Mark HoweyThe author is very knowledgeable and has some interesting insights. The only problem is that sometimes the book is a little bit too broad. The author advises the bettor

to "make halftime bets" and to "make quality bets, and not a quantity of bets". But what types of halftime bets? In which games? What constitutes a "quality bet"? Overall a good read, despite the lack of specificity.

1. MILLIONS OF BETTORS: Sports betting is an obsession. While the Super Bowl is the biggest betting event in America, generating billions of dollars in bets, additional billions are bet each year on all the major sports.2. GREAT VALUE: \$19.95 is a great value for bettors who routinely bet hundreds of dollars every weekend.3. A MUST-BUY SPORTS BETTING BOOK: Sports bettors are always looking for an edge.4. WEB SUPPORT: Cardoza Publishing is launching a Sports Betting section on its web site in July, 2008 and supporting it with mailings to 200,000 sports bettors through emails and catalogs.5. UPDATED: Updated with the latest information and strategies. It's time to win now! You'll learn how to separate the truths from the myths of sports betting and make money in the real world with practical strategies. The major betting sports are covered with a special emphasis on football, basketball, baseball and hockey, along with concepts, tips, theories and techniques that apply to all sports. In addition to hard-hitting specific strategies for recognizing opportunities and finding value -- money line wagering, buying points, hedging bets, trends versus systems, incomplete rosters, over/under plays, prop bet opportunities, connected wagers, betting games (not spreads) and much more -- you'll learn the mental aspects necessary for winning: keeping records, money management, analyzing wagers, and how to think differently from the average losing gambler. Kochan includes over 50 real-world examples of great bets!

About the Author Michael Kochan is a professional sports gambler who breathes, lives and dies for sports betting.
