**From Alfred Music : Selections from Anna Magdalena's Notebook (CD) (Alfred Masterwork Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Selections from Anna Magdalena's Notebook (CD) (Alfred Masterwork Edition):

This timeless collection contains selections attributed to J. S. Bach, his son C.P.E. Bach, and others. Generations of students have studied the volume's ""Menuet in G Major,"" ""Musette in D Major"" and the ""Prelude in C Major"" from the first volume of the Well-Tempered Clavier. Dr. Palmer provides the texts to the instrumental settings of chorales and arias found in this work, as well as a brief biography of the Bach family. Valery Lloyd-Watts studied at the Conservatory of Music in Toronto and the Royal College of Music in London. She earned a Master of Music degree from the University of Wisconsin, where she studied with Paul Badura-Skoda. She co-authored the text Studying Suzuki Piano: More than Music, which was endorsed by Dr. Suzuki.
