From Alfred Music : Selections from Music for Children, Op. 65 (Belwin Edition: Piano Masters Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Selections from Music for Children, Op. 65 (Belwin Edition: Piano Masters Series):

Another new collection in our Piano Masters Series is this book containing eight of the most popular piano solos from Prokofiev's group entitled Music for Children. A composer biography is also included. Titles are: Walk * Fairy Tale * Tarantella * Waltz * March of the Grasshoppers * Tag * March * Moonlit Meadows. This is a great collection for

every advancing pianist.
