As with lots of musical arrangements, it's hard to know ahead of time what level of difficulty the arrangement is. This one is better suited to early intermediate pianists in my opinion. It was my hope that it would be late intermediate to advanced, but my piano partner and I will still enjoy playing it and including it in our piano repertoire. 0 of 0 people found the following review helpful. Not very challenging. By L. These are best for intermediate pianists; advanced pianists who can handle more difficult music will be disappointed. 1 of 1 people found the following review helpful.

Good for intermediate players, but too simple for advanced pianists. By Eugene Lee Arrangements are disappointingly simple.

(Piano Duet Selections). Eight piano duets from the beloved musical: America * Cool * I Feel Pretty * Maria * One Hand, One Heart * Something's Coming * Somewhere * Tonight.
