The price on the itmes were good and inexpensive. I figured for sure with one week's notice the cards would arrive with plenty of time to spare. (A total of twenty dollars of shipping for five decks of cards!) I expected them actually in one to three days. Well here it is one week later and no cards for the bachelor party poker game. I figured I would give each of the guys a deck at the end of the night and we'd be able to use a new deck each time the blind went up. Now I am probably going to return them (once they arrive) since I typically don't have a need for nudy poker cards especially 5 decks...I am sure the quality and etc. will be fine but with the additional shipping charge especially for multiple items on the same order for twenty dollars they could have been shipped overnight, priority, or maybe next business day.0 of 0 people found the following review helpful. OK cardsBy W MStandard casino card stock with large easy to read numbers/suits superimposed over photos of girls that i would describe as "Hometown hotties" that are too closely cropped for my liking. These sturdy cards should hold up for a while
