**From Hinkler Books : Sensational Sudoku (Brainbusting Puzzles)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sensational Sudoku (Brainbusting Puzzles):

3 of 3 people found the following review helpful. great book of puzzlesBy JudypeteThe format of the book (spiral bound) is great for solving puzzles, as you don't have to fight with the book to keep it open. Also, the variation of the difficulty of the puzzles allows for variety, or practice, which I enjoyed. Great book!
