From Black Wolf Edition Publishing Ltd. : **Serenade** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Serenade:

Transcription for Flute and Harp. StAndchen (Serenade) is part of Schwanengesang (Swan Song), D. 957, a posthumous collection of songs by Franz Schubert (1797-1828). The collection was named by its first publisher Tobias Haslinger and contains settings of three poets, Ludwig Rellstab (1799-1860), Heinrich Heine (1797-1856) and Johann Gabriel Seidl (1804-1875). Schwanengesang was composed in 1828 and published in 1829 just a few months

after the composer's death on 19 November 1828.
